The Skim Rumah Pertamaku (SRP) is a Government initiative aimed at assisting young working adults to own their first home. The scheme allows home buyers to obtain up to 100% financing from participating banks, enabling them to own a home without having the need to pay a 10% downpayment. Financing application will be processed and approved based on the scheme's criteria and respective bank's credit underwriting standards. Cagamas SRP Berhad will guarantee 10% (from 90% to 100%) of the financing.
